

HOW TO CONVINCE YOUR BOSS TO BUY A TICKET FOR UXCON VIENNA

Attending uxcon vienna is a valuable investment in your skills that can benefit both you and your organization. In fact, it's a cost-effective way to improve your expertise, compared to the high cost of poor design decisions and underperforming interfaces. By learning from well-informed experts and networking with fellow UX enthusiasts from various industries, you can drive good decisions, avoid costly mistakes, and gain a competitive edge.

At uxcon, you can expect to:

- **gain insights** from globally recognized experts and pioneers in the UX field,
- **expand your professional network** by connecting with other like-minded individuals, including those from major corporations,
- **enhance your practical skills** through interactive workshops,
- **get inspired** by high-level talks and innovative ideas to bring back to your company,
- **showcase your company** to a wider audience and attract new business opportunities,
- **forge new partnerships** and client relationships for your company,
- **discover talented individuals** who could become potential recruits for your employer,
- and of course: **have fun!**

Don't miss out on the opportunity to take your UX skills to the next level and make a positive impact on your organization. Convince your boss to invest in your attendance at uxcon vienna 2023 and reap the rewards of this valuable experience.
